

NORTH CAMPUS RESEARCH COMPLEX FACT SHEET

2,735 PEOPLE

Work at NCRC as of July 2016

350+ NEW JOBS CREATED

Since June 2009

225 TOTAL

Faculty Members

80

Wet Lab Faculty Members

WORK AT NCRC

GROWTH

11 ADVANCED INSTRUMENTS

Let scientists and engineers study materials at the most detailed level

8 RESEARCH GROUPS

Biointerfaces
Cardiovascular
Chemical Engineering
Computational Medicine and Bioinformatics
Distributed Health
Emergency Medicine
MCIRCC
Translational Oncology

3 PRIVATE COMPANIES

Lycera
BoroPharm
Denso

1 PUBLIC

Veterans Affairs

13+

Venture Accelerator Companies

PARTNERSHIPS

10

University of Michigan Schools

9

Shared research facilities

1 INSTITUTE

Institute for Healthcare Policy and Innovation

BUS

15 NEW BUSINESSES

Opened up on Plymouth Rd since June 2009

515,702

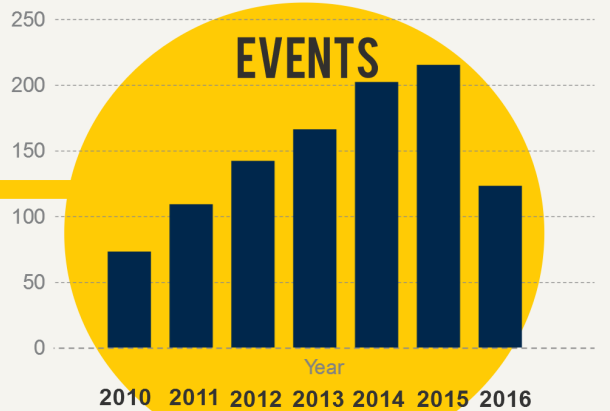

Rides on the North-East Shuttle (July 2014 - June 2016)

1,520

Rides on the Bio Research Shuttle (June 2014 - April 2016)

COMMUNITY

EXPENSES

\$115M in operating expenses

\$75M in total capital expenses

FY2010 - FY2016
